

A large crowd of people is gathered at a night event, with a massive amount of blue and white confetti falling from above, creating a festive atmosphere. The background shows the structural elements of a large stadium or arena.

BECOME TOP CREW!

TOP Crew

Always wanted to experience a big event behind the scenes? Do you want a summer full of fun parties and activities, meet lots of new people and be part of the coolest introduction week in the Netherlands? This is your chance!

This year you can be part of TOP Crew, which consists of a small group of students. As TOP Crew member you will be active behind the scenes of the biggest student event of Noord-Brabant. You provide an important organizational contribution to TOP Week. Each crew member has his/her own tasks and responsibilities, and is included in the schedule. For example, you will help with setting up and breaking down events and assist with logistics.

The TOP organization 2025 has been underway for a while, but TOP Week is not possible without the efforts of crew members! Would you like to experience TOP Week from the other side? Then sign up for TOP Crew and be part of an enthusiastic team full of go-getters!

Tasks

As a crew member, you have a variety of tasks. These include the following:

- Registering TOP participants and mentors;
- Helping with set-up and take-down of various activities during TOP Week;
- Handing out dinner;
- Logistical tasks;
- Bar duties.

Benefits

As a crew member during TOP Week, you certainly don't do it for nothing. Not only is it interesting to experience the organization of such a big event up close, it also brings nice benefits.

As a TOP Crew member:

- You receive a compensation of up to 75 euros for your activities during TOP Week;
- You'll be closely involved in the organization of the introduction week in Tilburg for 4,000 students and experience TOP Week from the other side;
- You get to know many new people during various social activities prior to TOP Week, including the other crew members;
- A Crew Day will be organized especially for you (so you can get to know the organization and each other);
- You get free food and drinks during your shifts;
- You support the organization in all activities, including the legendary TOP Cantus;
- You have access to all events throughout the week;
- You get a TOP Crew shirt;
- You're involved in TOP Week even if you don't want to or can't attend the entire week.

Shifts

As a crew member, you are only active during TOP Week, working in a number of shifts. The TOP Crew is divided into small groups prior to TOP Week, so that you can get to know the same people as much as possible. You can indicate that you want to be part of a group together with your friend.

All crew members get the registration shift on Monday and the cantus shift on Wednesday. In addition, you have several shifts during the week. There are two shifts: a morning and afternoon shift and an afternoon and evening shift. Before the beginning of the week you will receive a schedule that will tell you which shifts you will have and what the activities per shift will be. We will also go through the schedule together with the entire organization. Everything goes in consultation.

Together with the crew members and the rest of the organization you can enjoy all the events during TOP Week. Outside the hours that you help out, you can go to the different events and experience a fantastic TOP Week! Do you have questions or want more information? Please mail to topvolunteers@tilburguniversity.edu.

You can sign up as a TOP Crew member until June 20 via this link:
